I am published knitwear and crochet designer, specializing in children's clothing. I love coming up with something new and different and find an inspiration everywhere... my family, kids world, imagination, yarn, textures, nature...

In the past four years, I've created over 140 designs and have sold hundreds of custom made items online. Thanks to the requests of many customers, I started working on patterns for my designs last year. I'm really feeling that this is direction to take, and completely hooked! Listed above are the patterns that are available so far, and I hope to write many more for my older designs, as well as for new designs. I hope that you will enjoy my patterns as much as I have enjoined designing and writing them for you.

Please feel free to visit my website (http://mylittlecitygirl.com) to learn more about me and locate stores where my patterns are sold.

Sincerely yours,
Alla Koval
